There will be a meeting of the Civic Federation at Science Hill School next Tuesday afternoon at 2:30 o'clock. Address by Rev. T. E. Brown, "The Best Way to Beautify Our Town," followed by a discussion, "Music," by Miss Usternoch. Talk by Rev. George W. Arnold, "Practical Ideas in Regard to Making Our City More Beautiful and How These Ideas Are Carried Out at Dayton, Ohio."

F. P. Baxter has various kinds of inexpensive Holiday Goods, Birthday and Wedding Presents.

Mr. W. B. Dady representing the Genesee Food Company, of Le Roy, N. Y., was a pleasant caller at the Comet office one day this week and before leaving presented the editor with two packages of Jell-O Ice Cream Powder for making Ice Cream. With two packages of this preparation a gallon of the most delicious Ice Cream can be made in 10 minutes, as everything but the ice is contained in the package and requires no cooking, eggs, flavoring or sugar. This is the ICE CREAM POWDER that received the HIGHEST AWARD GOLD MEDAL at the St. Louis Exposition 1904, and is pronounced the greatest pure food success of recent years. Enough of the powder to make a gallon of Ice Cream costs but 25 cents and nearly every grocer in town sells it.

If you stop at the Star Restaurant you will be properly treated and go away pleased.

Burglars Arrested at Jonesboro.

Two burglars were caught at Jonesboro Wednesday night while visiting several stores. They were Frank Crumley and James Morrell. They were bound to court.

The City Election.

The annual aldermanic election was held Wednesday of this week and passed off quietly but not without interest. There was not much stir before election day by any of the candidates but all worked like beavers at the polls, largely because it had been rumored the "wets" were trying to capture the board. Both political parties had candidates in each of the four wards but party lines were largely ignored. Two Democrats were elected in the first and second wards, a tie vote in the third leaves J. D. Crowell, a Democrat, in office and a Republican was elected in the fourth. This makes the board an even break politically, four Republicans and four Democrats but gives the "dry" element six to two "wet." The vote by wards:

First ward—S. B. White..... 76
O. E. Walters..... 68
Second ward—W. B. Harrison..... 112
H. W. Weiler..... 101
Third ward—Clyde Campbell..... 34
O. J. Kegley..... 34
Fourth ward—J. W. Cass..... 46
W. J. Bush..... 21

A Palatable Demonstration.

Beginning last Monday morning and continuing all week H. W. Pardue's grocery store has been a popular resort for epicureans. A practical demonstration is being given of the justly celebrated Ferndell preparations. To say that everything to eat is practically true in regard to the variety of products manufactured or raised and prepared for the market. It is also true that the preparations carrying their label are in every way pure and wholesome and there is nothing superior offered for sale. The demonstration has been under the personal supervision of Mrs. A. E. Stinson, of Chicago, traveling representative of Sprague, Warner & Company, packers of the Ferndell preparations. She was selected possibly because of the fact that she knows how to improve good things and serve them in a pleasing manner and the selection was a wise one. Each day a separate menu was prepared and they grew better with age, like all good things. As a culinary artist and cateress she is very clever but it may be that the Ferndell products helped some.

Mr. Pardue carries a complete line of the preparations and has the exclusive agency in this city.

Religious Wave.

The Hendrick-Carter Union Evangelistic meetings have so enlarged in interest and attendance that it was found absolutely necessary to secure a larger room in which to hold the meetings. The Armory Hall on East Main street has been secured and fitted up so as to accommodate about 1000 people. In this hall the meetings will be continued during the coming week at 7 p. m. On Sunday the 29th, there will be a Union Meeting at 10:30 a. m. of all the churches of the city, and a meeting for men and boys only, at 3 p. m. in the hall, Evangelist Hendrick will preach on "The Sin of Saul," and Evangelist Carter will lead the singing. This will be a great meeting. Every man and boy should attend this meeting. A mass meeting will be held in the same hall at 6:30 p. m. and a half-hour song service will be led by Mr. Carter. This will be the only meeting held in the city on Sunday night. Let everybody come.

On Monday a meeting for women and girls only, will be held at 3 p. m. Mr. Hendrick will preach on "Consecrated Womanhood," at the M. E. Church, South, and at 7 p. m. at the hall. Young people and children's meeting on Tuesday at 3 p. m. at the church. The afternoon meetings will be held in the M. E. Church, South, the night services in the Armory Hall.

At 3 p. m. on Sunday a Woman's prayer-meeting will be held at the M. E. Church, South.

Railroad Officials Here.

A number of South & Western railroad officials are here from New York looking over the various routes proposed through Tennessee. It is expected that a decision will be reached early next week and announcement made of the route selected.

SOUTH & WESTERN'S PLAN

As Outlined By The General Manager and Chief Engineer—Greene County Will Be Traversed.

Mr. M. Caples, general manager and chief engineer of the South & Western Railway Co. writes from Bristol, Tenn., to the Manufacturers' Record giving a clear description of the proposed line of his company as follows:

"Our projected road extends from a connection with the Chesapeake & Ohio Railway on Russell fork of Big Sandy river in Northeastern Kentucky southward through Dickenson, Russell and Scott counties, Virginia; Hawkins, Sullivan, Greene, Washington and Union counties, Tennessee; Mitchell, McDowell, Rutherford and Polk counties, North Carolina, and Spartanburg county, South Carolina, to Spartanburg, S. C., a distance of 300 miles. Included in the work will be the rebuilding of a large portion of the present line between Johnson City, Tenn., and Spruce Pine, N. C. Surveys are now in progress, and location and revisions of the line will be completed within a few months, when bids will be asked.

"A contract for 12 miles of heavy construction has been let to S. Walton & Co. of Falls Mills, Va. The portion let to Mr. Walton is in Scott county, Va. and Hawkins county, Tenn."
